

Hill Country Master Gardeners

Offering a class on ...

Children's Workshop on Plants and Propagation

Wednesday, August 9, 2017

**9 am— 11:30 am—Kindergarten thru 2nd— ages 5-7
12:30 pm— 3 pm —3rd thru 5th grades — ages 8-11**

Here is something fun for your kids/grandkids to do over the summer vacation. The Hill Country Master Gardeners invite you to experience the fun and magic of plant science through a series of games and experiments.

Two sessions will be available for age groups 5 - 7 and 8—11. **Children must be accompanied by an adult.**

Registration forms available at the extension office, or you may download a form at www.hillcountrymastergardeners.org. The registration fee covers all training, materials for make and take activities and refreshments.

Space is limited—**August 2nd** deadline to assure space is available.

\$20 Registration Fee per child
